RE: Racial Profiling

To Whom It May Concern:

In accordance with Code of Criminal Procedure Article 2.131—2.138, HB 3389 Tier II reporting requirements, the following information relates an analysis of ethnic and gender population of the City of San Antonio compared to the stops conducted by the San Antonio Park Police Department (Agency # 029418).

The City of San Antonio has a population of 1,319,996 residents. This figure was compiled by Brian L. Withrow, Ph. D. from 2010 U.S. Census information.

	POPULATION			
	Female	Male	Race / Ethnicity Totals	Percentage
African American	42,022	40,053	82,075	6.22 %
Asian	15,532	14,804	30,336	2.30 %
White	178,769	170,390	349,159	26.45 %
Hispanic	428,747	408,650	837,397	63.44 %
Other	10,767	10,262	21,029	1.59 %
Totals	675,837	644,159	1,319,996	100 %
	51.20 %	48.80 %		

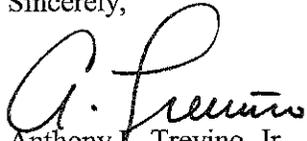

In 2014, the San Antonio Park Police Department conducted a total of 2,304 stops and 191 subsequent searches. These are presented in the table below with percentages by race/ethnicity and gender. Please note that the race/ethnic categories do not completely match-up between the U.S. Census Bureau and the State of Texas reporting requirements.

	Park Police					
	Female	Male	Total Stops	Percentage	Total Searches	Percentage
African American	76	150	226	9.81 %	21	11.00 %
Asian / Pacific Islander	2	6	8	0.35 %	0	0.00 %
Caucasian / White	194	373	567	24.61 %	28	14.66 %
Hispanic	484	995	1,479	64.19 %	141	73.82 %
Middle Eastern	3	20	23	1.00 %	1	0.52 %
Native American	0	1	1	0.04 %	0	0.00 %
Totals	759	1,545	2,304	100 %	191	100 %
	32.94 %	67.06 %				

There were no complaints of racial profiling made against the San Antonio Park Police during 2014.

Based on our performance as presented above, I am confident that we have complied with the law to the fullest extent possible for the calendar year 2014 and have continued to improve our collection and analysis of the racial profiling data gathered.

Sincerely,
