

JUDSON ISD POLICE DEPARTMENT

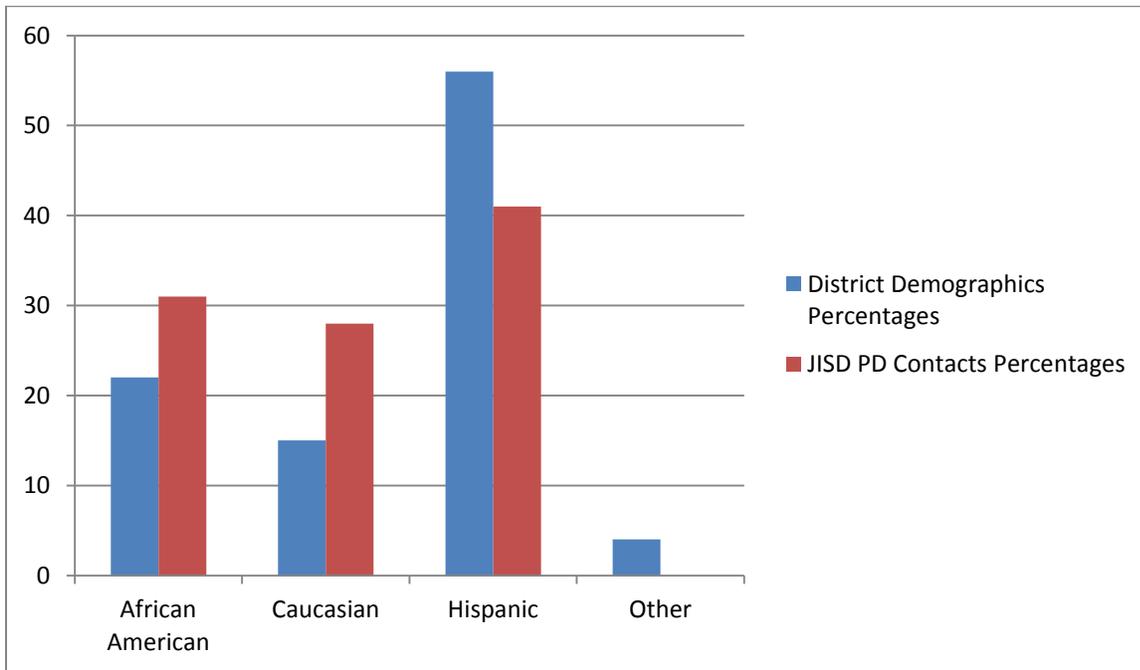

(01/01/2015-12/31/2015)

The following is an analysis of the motor vehicle contacts and the result of each traffic stop made by the Judson ISD Police Department during the reporting year of 2015. These contacts have been divided by Race/Ethnicity and then compared to the reported Race/Ethnicity of the district it serves.

It should be noted that it is because of changes in personnel, schedules, and training in 2015 that JISD has shown a decrease in vehicle contacts and while these 54 vehicle stops make up only 1.65% of the 3,190 total calls for service, JISD PD chose to report for full disclosure and in conjunction with previous years.

The JISD Police Department has not had any complaints of Racial Profiling.
